Shafer, MN 55074

After high school I went farming with my folks until they sold the farm. I then went to work for Shafer Contracting. Worked there for forty years.

My wife Judy and I got married in 1967. To that union two children were born. Randy is 39 and Dawn is 36. We have two step-grandchildren, a granddaughter who is 16 and a grandson 7 months old.

Since I retired I have been working for farmers and for Franconia Township.

I was lucky to be part of the class of 1959.
