JAY P. NORELIUS

THE LIFE OF JAY NORELIUS

Jay Paul Norelius was born in 1941 in Lindstrom, MN and was the son of Paul and Carol. He still resides in Lindstrom today. In 1970, he married Caroline Albers and had their first son Brian in 1972, with Brad to follow in 1975. Jay worked for 40 years with his brother Neil at Sterling Supply, and retired at the

age of 62. Caroline, a home-economist for NSP, decided to stay home and raise her children for 20 years before returning to the workforce. She currently works for the City of Forest Lake in the Building and Zoning department. Jay now spends his days with his brother Neil out at his Sunrise

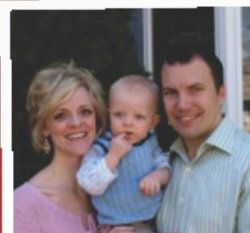

River property cutting brush and happily talking to anybody that will listen. He also enjoys driving his original post-high school car (1958 Ford Fairlane Skyliner Retractable) and playing with his three grandchildren Blake, Aaron, and Rebecca.
