Married to Jerry Flanagan in 1958

Jerry and I celebrated our 50<sup>th</sup> anniversary last fall. We have lived in Stacy for the past 37 years.

The year Curt, our oldest son, was to graduate from high school I went to North Branch evening classes and got my GED. I didn't want my boys to think they could goof off and not finish high school like Mom.

Jer and I have 3 sons. Curt and his family live in Lindstrom. They have two children, both out of school.

Ricky lives in Forest Lake. He is divorced and has twin girls. Both are married and live in Hibbing. One has three children and the other married a fellow police officer with two girls and they are expecting the end of July.

Our third son lives in North Branch. He has two boys 18 & 20. He's been single for about 15 years but has just gotten engaged to a great girl and hopes to marry this fall.

Life has been good to us, all of our family live nearby and we have no serious health issues.
