Married in Lindstrom, Minnesota to George Mattson on August 24, 1963

Family:

Daughter - Michelle, one daughter and one son
Daughter - Julz, two sons

1963 was a busy year. I graduated from Bemidji State University with a degree in Elementary Education. George and I were married and I started my first teaching job in So. St. Paul.

We built a home in Forest Lake in 1968 where we still live.

I was employed by the Forest Lake School District for 28 years and retired in 2003.

I keep busy with family, gardening and golf. George and I enjoy traveling and spend the winter months in Arizona.

Looking forward to seeing everyone at our class reunion.
