After graduation I worked in various bookkeeping positions, the last was Hazelden Educational Materials.

I married Chuck Bergquist in 1963. We have two grown children; Tim (41) and Brenda (39) and have five wonderful grandchildren.

We have, and still enjoy, our home after 42 years on North Center Lake. I enjoy golfing, gardening and fishing. It's nice to have time for hobbies and grandchildren.

Chuck and I travel south each winter to Texas or another area where it's warm.
